Nearly 400 years ago, Descartes reasoned, "I think, therefore I am." However, the amazing thing about the human mind is that it is able to question our existence at all. Who am I? What am I? Where do I belong? To Be or Not To Be? The absolute truth, is the answer that lies beyond the shadow of a doubt in your own mind, where there is no question. This little book has been written by someone who has received a wealth of vision and revelation over a span of almost forty years. Its purpose, is to be a 'little light' reading. To encourage and inspire you to seek out the undiscovered realm that lies beyond your wildest imagination. That Image-Nation of Eternal Love, the Kingdom of God. Shakespeare's famous speech from Hamlet, To Be or Not To Be, is the sub-theme of this book and is included herein.
